Looking Ahead

As we find ourselves standing at the threshold of a new year and wanting to do our best for God, we have no way of knowing what the days ahead hold for any of us. Our walk is a walk of faith. We must look up and look forward.

1. Follow Good Examples
Everyone is following someone who has influenced them. We must realize others are being influenced by us. So as much as we should be careful who we follow, we must also be careful how we walk,

2. Keep Step With God
We are not alone on our journey. It is God that is leading and we must look up and onward to God.

3. Press Toward The Mark
Phil 3:13-14 As we travel forward we must know it is an upward road, there is no coasting, no parking and no idling. May we all look ahead into the coming year and press toward the mark..
